Feel as though
you're in a crisis or
overwhelmed?

Need to see a GP in
the evening or at the
weekend?

Evening and weekend appointments can be made by calling your GP surgery during normal hours or dialling 111 outside of normal hours.

Need medical
advice? Try your
pharmacy.

Pharmacies offer advice on many common conditions like colds, coughs, aches and pains; no appointment needed. Local opening times are detailed here: nhs.uk/service-search/pharmacy/find-a-pharmacy

Just think NHS 111 first

For urgent help, visit 111.nhs.uk. You will be directed to the service to best meet your needs or call 111 available 24/7. NHS 111 can even book an A&E appointment near you.

Urgent dentist appointments

You can call your dentist for urgent treatment. If you don't have one, call 111 to make an appointment at an urgent dental care centre.

Pharmacy opening times over the festive period

Pharmacies offer advice on many common conditions. View the following pages for pharmacy opening times near you. If you have a cold or flu, don't go to the pharmacy, ask someone to go for you. Spread festive cheer, not a winter bug.
