1 Introduction

1.1 Foreword

1.1.1 NHS England has set out the following as the four core purposes of ICSs:

- a) Improve outcomes in population health and healthcare.
- b) Tackle inequalities in outcomes, experience and access.
- c) Enhance productivity and value for money.
- d) Help the NHS support broader social and economic development.

1.1.2 The ICB will use its resources and powers to achieve demonstrable progress on these aims, collaborating to tackle complex challenges, including:

- Improving the health of children and young people.
- Supporting people to stay well and independent.
- Acting sooner to help those with preventable conditions.
- Supporting those with long-term conditions or mental health issues.
- Caring for those with multiple needs as populations age.
- Getting the best from collective resources so people get care as quickly as possible.

1.2 Name

1.2.1 The name of this Integrated Care Board is the NHS Mid and South Essex Integrated Care Board (“the ICB”).

1.3 Area covered by the Integrated Care Board

1.3.1 The area covered by the ICB comprises the Borough of Basildon, District of Braintree, Borough of Brentwood, Borough of Castle Point, City of Chelmsford, District of Maldon, District of Rochford, City of Southend-on-Sea, and the Borough of Thurrock.

1.4 Statutory Framework

1.4.1 The ICB is established by order made by NHS England under powers in the 2006 Act.

1.4.2 The ICB is a statutory body with the general function of arranging for the provision of services for the purposes of the health service in England and is an NHS body for the purposes of the 2006 Act.

1.4.3 The main powers and duties of the ICB to commission certain health services are set out in sections 3 and 3A of the 2006 Act. These provisions are supplemented by other statutory powers and duties that apply to ICBs, as well as by regulations and directions (including, but not limited to, those made under the 2006 Act).

1.4.4 In accordance with section 14Z25(5) of, and paragraph 1 of Schedule 1B to, the 2006 Act the ICB must have a constitution which must comply with the

requirements set out in that Schedule. The ICB is required to publish its constitution (section 14Z29). This constitution is published at www.midandsouthessex.ics.nhs.uk

1.4.5 The ICB must act in a way that is consistent with its statutory functions, both powers and duties. Many of these statutory functions are set out in the 2006 Act but there are also other specific pieces of legislation that apply to ICBs. Examples include, but are not limited to, the Equality Act 2010 and the Children Acts. Some of the statutory functions that apply to ICBs take the form of general statutory duties, which the ICB must comply with when exercising its functions. These duties include but are not limited to:

- a) Having regard to and acting in a way that promotes the NHS Constitution (section 2 of the Health Act 2009 and section 14Z32 of the 2006 Act).
- b) Exercising its functions effectively, efficiently and economically (section 14Z33 of the 2006 Act).
- c) Duties in relation children including safeguarding, promoting welfare etc. (including the Children Acts 1989 and 2004, and the Children and Families Act 2014).
- d) Adult safeguarding and carers (the Care Act 2014).
- e) Equality, including the public-sector equality duty (under the Equality Act 2010) and the duty as to health inequalities (section 14Z35).
- f) Information law, (for instance, data protection laws such as the UK General Data Protection Regulation 2016/679 and Data Protection Act 2018 and the Freedom of Information Act 2000).
- g) Provisions of the Civil Contingencies Act 2004.

1.4.6 The ICB is subject to an annual assessment of its performance by NHS England, which is also required to publish a report containing a summary of the results of its assessment.

1.4.7 The performance assessment will assess how well the ICB has discharged its functions during that year and will, in particular, include an assessment of how well it has discharged its duties under:

- a) Section 14Z34 (improvement in quality of services).
- b) Section 14Z35 (reducing inequalities).
- c) Section 14Z38 (obtaining appropriate advice).
- d) Section 14Z40 (duty in respect of research)
- e) Section 14Z43 (duty to have regard to effect of decisions).
- f) Section 14Z45 (public involvement and consultation)
- g) Sections 223GB to 223N (financial duties).
- h) Section 116B(1) of the Local Government and Public Involvement in Health Act 2007 (duty to have regard to assessments and strategies).

1.4.8 NHS England has powers to obtain information from the ICB (section 14Z60 of the 2006 Act) and to intervene where it is satisfied that the ICB is failing, or has failed, to discharge any of its functions or that there is a significant risk that it will fail to do so (section 14Z61).

1.5 Status of this Constitution

- 1.5.1 The ICB was established on 1 July 2022 by The Integrated Care Boards (Establishment) Order 2022, which made provision for its Constitution by reference to this document.
- 1.5.2 Changes to this Constitution will not be implemented until, and are only effective from, the date of approval by NHS England.

1.6 Variation of this Constitution

- 1.6.1 In accordance with paragraph 15 of Schedule 1B to the 2006 Act this Constitution may be varied in accordance with the procedure set out in this paragraph. The Constitution can only be varied in two circumstances:
 - a) Where the ICB applies to NHS England in accordance with NHS England's published procedure and that application is approved; and
 - b) Where NHS England varies the Constitution of its own initiative (other than on application by the ICB).
- 1.6.2 The procedure for proposal and agreement of variations to the Constitution is as follows:
 - a) The Chief Executive may periodically propose amendments to the Constitution, which shall be considered and approved by the Integrated Care Board prior to making an application to vary the Constitution to NHS England.
 - b) Proposed amendments to this Constitution will not be implemented until an application to NHS England for variation has been approved.

1.7 Related Documents

- 1.7.1 This Constitution is also supported by a number of documents which provide further details on how governance arrangements in the ICB will operate.
- 1.7.2 The following are appended to the Constitution and form part of it for the purpose of clause 1.6 and the ICB's legal duty to have a Constitution:

- 9.3 The ICB has adopted the ten principles set out by NHS England for working with people and communities, set out below.
- a) Put the voices of people and communities at the centre of decision-making and governance, at every level of the ICS.
 - b) Start engagement early when developing plans and feed back to people and communities how it has influenced activities and decisions.
 - c) Understand your community's needs, experience and aspirations for health and care, using engagement to find out if change is having the desired effect.

- d) Build relationships with excluded groups – especially those affected by inequalities.
 - e) Work with Healthwatch and the voluntary, community and social enterprise sector as key partners.
 - f) Provide clear and accessible public information about vision, plans and progress to build understanding and trust.
 - g) Use community development approaches that empower people and communities, making connections to social action.
 - h) Use co-production, insight and engagement to achieve accountable health and care services.
 - i) Co-produce and redesign services and tackle system priorities in partnership with people and communities.
 - j) Learn from what works and build on the assets of all partners in the ICS – networks, relationships, activity in local places.
- 9.4 In addition, the ICB has set out its vision for community involvement in more detail in the Mid and South Essex patient and public engagement policy which can be found on the ICB website.
- 9.5 These principles will be used when developing and maintaining arrangements for engaging with people and communities.
- 9.6 These arrangements include a range of engagement activities, including, but not limited to patient participation groups, 'Virtual Views' citizens' panel and targeted outreach sessions. The ICB will have lead responsibility for the ICS engagement framework and provide advice, guidance and training to encourage a culture of co-production among wider teams to support its delivery as close to our communities as possible.
